

# CIES 2023 Submission Instructions for Book Launch Proposals

Online Submission Deadline: August 8, 2022, 23:59 hrs. EDT.

---

## What is a Book Launch?

Authors of books published between March 1, 2022, and March 31, 2023, are invited to submit proposals for book launches. Book launch sessions provide an opportunity for members of our field to present recently published monographs and edited volumes in an interactive session.

Before you begin, please note: You will not be able to save a proposal in the system in order to continue working on it at another time. You must first submit the proposal and then you will be able to edit it. When you have submitted it correctly, you will see a confirmation message on your screen, and you will receive an email.

You will be able to edit the proposal until the deadline of **August 8, 2022, 23:59 hrs, EDT.**
