What is a New Scholars Committee Workshop?

The New Scholars Committee (NSC) offers two workshops for doctoral students, recent doctoral graduates, and early career professionals.

The New Scholars Dissertation Mentoring Workshop (NSDMW) is a unique opportunity for doctoral students (Ph.D. and Ed.D.) to discuss their dissertation research in small groups of experienced scholars as well as with peers with similar topical or methodological interests. Participants receive feedback on the design, data collection and/or analysis of their dissertation, followed by an opportunity for all participants to meet and exchange ideas.

The New Scholars Publication Mentoring Workshop (NSPMW) is a unique opportunity for final stage and recent Ph.D. and Ed.D. graduates as well as early career professionals to discuss a paper that they have developed for publication and would like to refine with experienced scholars and peers. Participants will be provided feedback, particularly on the paper sections related to theoretical framework, methodology and findings, along with an opportunity to strengthen links among peers.

Before you begin, please note: You will not be able to save a proposal in the system in order to continue working on it at another time. You will be able to edit the proposal until the deadline of August 8, 2022, 23:59 hrs, EDT.
